

# SKILL SUMMIT 2018

## MOMENTUM JHARKHAND

The Government of Jharkhand is strongly focusing on Skills development and infrastructure in the state. The state government runs various skill development schemes through various departments with a vision to produce a huge number of skilled labor-force in the state. Under skill development schemes government imparts skill training to citizens to make them employable and to build a prosperous society. To provide a strong platform for all the stakeholders involved in Skill development programs, the Government of Jharkhand is organizing a flagship event – **Skill Summit – Momentum Jharkhand** on **12-13 January 2018** in Ranchi, India.

The summit aims to establish Jharkhand as a premier investment destination for both foreign as well as domestic investors. It is expected that the summit would attract participants across multiple sectors and domains involved in skill development. The Summit would also provide an opportunity for visitors and participants to gain more knowledge in the potential of the state of Jharkhand in a diverse range of sectors. It would also provide an opportunity for policy makers, skill providers, employers and business leaders to bring together various ideas, share opinions and also act as a knowledge sharing platform.
